

**St. Andrew Parish Pastoral Council  
Minutes of October 23, 2017 meeting**

**Members Present:** Fr. Cordier, Lindsey Braun, Brian Sullivan, Kristin Woodard, Vicki Kundrat, Ray Lamping, Bob Huxell and JoAnne Lacey.

**Prayer:** led by Fr. Cordier

**Parish YTD Finances:** Approx \$15,000 deficit. Please keep in mind this includes some of the costs of a major RTS parish project:

Renovation of stairwells to church hall:

New Chair Lift: approx. cost \$25,000, Funds from One Faith campaign covered \$24,000

Temporary Ramp for handicapped: approx. \$5,700

New hand rails: approx. \$20,000 – still waiting on bill

Two stairwells work – excavation, concrete, backfill, approx \$57,000. Discount included.

We also decided to redo the parking lot added on east side of school: approx. \$7,000  
RTS from this past spring netted approx. \$18,000-19,000

With all this in mind, we are doing well financially this year.

**Concern:** soot around the spot lights in the church. Lights are hot. Maybe in the future replace with LED, when they become available. Similar large LED lights not available now.

**Milford Main news:** possibly a park will be built.

**Parking lot north side of school:** We had discussed how to make parking easier. One suggestion was to move telephone pole in the church parking lot. We were told that the telephone pole on the north side of the school is not on our property so we cannot have it moved.

**Winterfest:** will be a raffle again this year. Please support.

**Future Projects:** No upcoming projects...possibility for next year's RTS is to make one of the old confessionals a working one.

**Next Meeting:** November 27, 2017 at Seton at 7:30 pm.
